EDUCATION

University of California - Berkeley | *Expected Graduation 2021*

- Electrical Engineering and Computer Science, B.S.
- 3.80 overall GPA, 3.84 technical GPA

TECHNICAL SKILLS

Strong: Java, Python, React, React-native, AWS Lambda, DynamoDB, HTML, CSS

Knowledgeable: SQL, ES6, MongoDB, Ruby, Node.js, jQuery

EXPERIENCE

Software Engineering Intern | Stripe | *May 2019 - Present*

- Added ability for multiple users to make simultaneous edits on the merchant activation form
- Updated the form backend to track which user updated each input and displayed this information on the frontend
- Worked with the onboarding team to launch a full-stack update of the form to 100% of users in Canada and the U.S.

Software Contractor | Berkeley Codebase | *Jan 2018 - Present*

- Built a React-native mobile app for Propel(x), saving the startup over 275 hours of development
- Implemented the entire frontend from scratch, including a dashboard and swipe interaction
- Structured the backend to make calls to Propel(x)'s API and pass data between components

Full Stack Developer | EthICAL Apparel | *Aug 2017 - May 2018*

- Re-designed the business' front page and order form built on WordPress, helping to bring in over 5,400 new users
- Added mobile-responsive functionality to every page, affecting over 42% of all users
- Integrated Square API into internal website built with React to show live view of inventory

PROJECTS

Formations | github.com/trev4ev/Formations | *May 2017 - Oct 2017*

- A web application that allows choreographers to easily create and share dance formations
- Uses jQuery and Fabric.js to allow 'drag-and-drop' editing and Firebase to allow for collaborative, real-time editing
- Used by students at the University of New South Wales for their annual performance Medshow

Panda Bot | github.com/trev4ev/PandaBot | *Jan 2016 - July 2017*

- A Facebook Messenger bot that uses the 'facebook-chat-api' with Node.js to organize and store a to-do list in group chats
- Used in over 300 different group chats to help keep track of actions items and projects

OTHER SKILLS AND INTERESTS

- Ultimate Frisbee (2018 All-Region Freshman)
- Graphic Design
- Cinematography
